

CAREER OPPORTUNITY – CIVIL DESIGNER/DRAFTSPERSON

RAM is a rapidly growing Vancouver based Engineering, Construction and Project Management Consulting Company. Our focus is in the utility, heavy civil and electrical sectors. We are seeking someone who wants the opportunity to directly contribute to the company's growth and development.

RAM is looking for a **Civil Designer/Draftsperson** to be part of their design team.

Qualifications:

- 5-10 years local work experience as a minimum;
- Completed Diploma in Civil or Mechanical Engineering Technology and/or working towards their Associate Degree;
- Proficient with AutoCAD drafting and design of civil infrastructure is an asset (Sewer, Water, Storm, Road Works, Duct Banks, Manholes, Service Boxes);
- Construction experience preferred;
- Accustomed to basic drafting standards;
- Experience in underground electrical and communication duct design; specifically with BC Hydro or Telus is an asset;
- Strong oral and written communication skills;
- Familiarity with Municipal, MMCD and other local standards; and
- Familiarity with Utility Geographic Information Systems (GIS) software.

Responsibilities:

- Design and draft civil designs;
- Work with contractors and responding to technical inquiries;
- Perform general duties as required such as printing/plotting, transmittal preparation, project tracking updates, submitting drawings to client/contractor;
- Provide technical and administrative support through all phases of the project; and
- Attend site meetings and communicate directly with clients.

Candidate Profile:

- High energy, well organized and detail oriented;
- Proven ability to meet deadlines/successful completion of deliverable and ability to work under pressure;
- Striving to ensure quality of finished products to clients;
- Team and client-focused;
- Fast learner and self-motivator; and
- A desire to embark on a unique and challenging career.

RAM is committed to employment equity and hires on the basis of merit. We encourage applications from all qualified individuals.

If this is the next step in your professional career, please forward your resume, in confidence, to luisa.hite@ramengineering.ca. We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.
