

## CAREER OPPORTUNITY – PROJECT ENGINEER

RAM is a rapidly growing Vancouver based Engineering, Construction and Project Management Consulting Company. Our focus is in the utility, heavy civil and electrical sectors. We are seeking someone who wants the opportunity to directly contribute to the company's growth and development.

RAM is looking for a **Project Engineer** to be part of their Construction and Project Management Team to work on infrastructure projects throughout the Lower Mainland.

### Qualifications:

- 3-5 years' experience as a minimum;
- Completed Civil, Electrical or Mechanical Engineering Degree
- Registered with APEGBC as a Professional Engineer or Engineer in Training;
- Construction experience is a must;
- Accustomed to basic drafting;
- Project Management Certification is a bonus;
- Strong oral and written communication skills, including the ability to write letters, report writing and presentation skills;
- Familiarity with Municipal, MMCD and other local standards; and
- Familiarity with Scheduling and Estimating Software is an asset.

### Responsibilities:

- Project coordination and field reviews;
- Work with contractors and respond to technical inquiries;
- Perform general duties as required such as printing/plotting, transmittal preparation, project tracking, submitting drawings to client/contractor;
- Provide technical and administrative support through all phases of the project;
- Scheduling and cost estimate preparation; and
- Attend site meetings and communicate directly with clients, maintaining a respectful and professional working relationship.

## Candidate Profile:

- High energy, well organized and detail oriented;
- Proven ability to meet deadlines/successful completion of deliverable and ability to work under pressure;
- Striving to ensure quality of finished products to clients;
- Possesses a high degree of integrity and professionalism;
- Team and client-focused;
- Fast learner and self-motivator;
- A desire to embark on a unique and challenging career; and
- Valid BC Class 5 Driver's License.

RAM is committed to employment equity and hires on the basis of merit. We encourage applications from all qualified individuals.

If this is the next step in your professional career, please forward your resume, in confidence, to [luisa.hite@ramengineering.ca](mailto:luisa.hite@ramengineering.ca). We wish to thank all applicants for their interest and effort in applying for the position; however, only candidates selected for interviews will be contacted.
